Inquiry	Corporate Planning Office, Investor Relations Department ( <a href="https://s-science.jp/contact/">https://s-science.jp/contact/</a> )

#### Notice regarding the publication date of the business plan (medium-term management plan)

As disclosed in the "Notice Concerning the Planned Announcement of Business Plan (Medium-Term Management Plan)" dated December 15, 2025, regarding the medium-term business plan that was scheduled to be announced on December 24, 2025, taking into account the status of subsequent deliberations, we had announced that the announcement date would be changed to mid-January 2026 as disclosed in "(Correction) Partial correction to "Notice regarding the planned publication of the business plan (medium-term management plan)"" dated December 17, 2025. However, we have now decided to change the announcement date to January 20, 2026, and hereby notify you as follows.

#### 1. Business Plan Announcement Date

January 20, 2026 (Tuesday)

#### 2. Background and Reasons for the Change in the Announcement Date

Initially, we had been formulating our business plan with the aim of announcing it on December 24, 2025. However, we have decided to change the announcement date to mid-January 2026, as we have determined that we need to be more careful in specifying the business content, streamlining our revenue model, and considering our business promotion structure.

As the Company continued its deliberations, it made progress in sorting out the business direction and execution structure, taking into account the content of the business alliance agreement concluded today, and has therefore decided to set the announcement date as January 20, 2026.

#### 3. Future Outlook

This business plan outlines our medium- to long-term growth strategy, but we currently expect the impact of this transaction on our financial results for the fiscal year ending March 31, 2026 to be minor.
